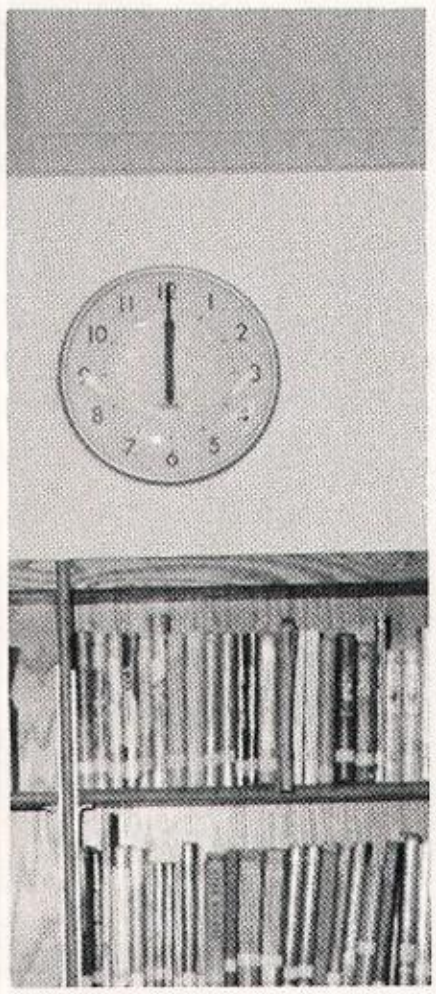
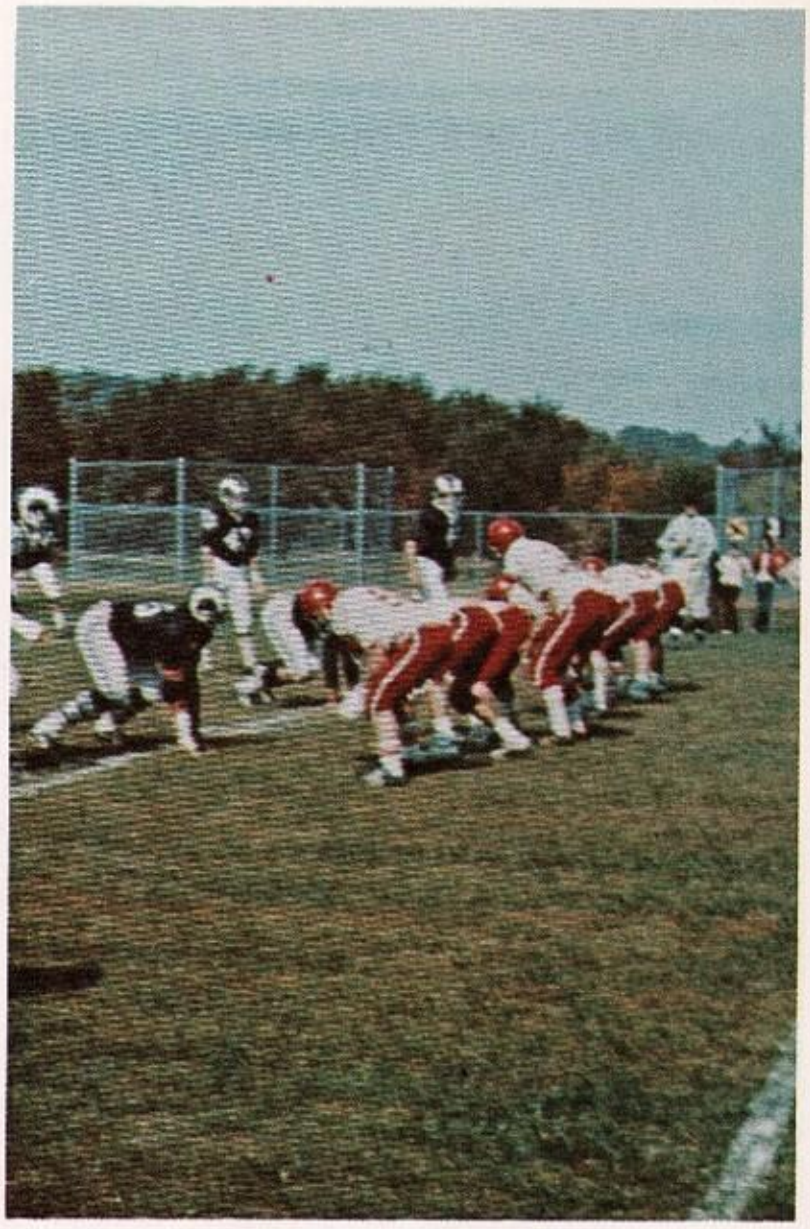
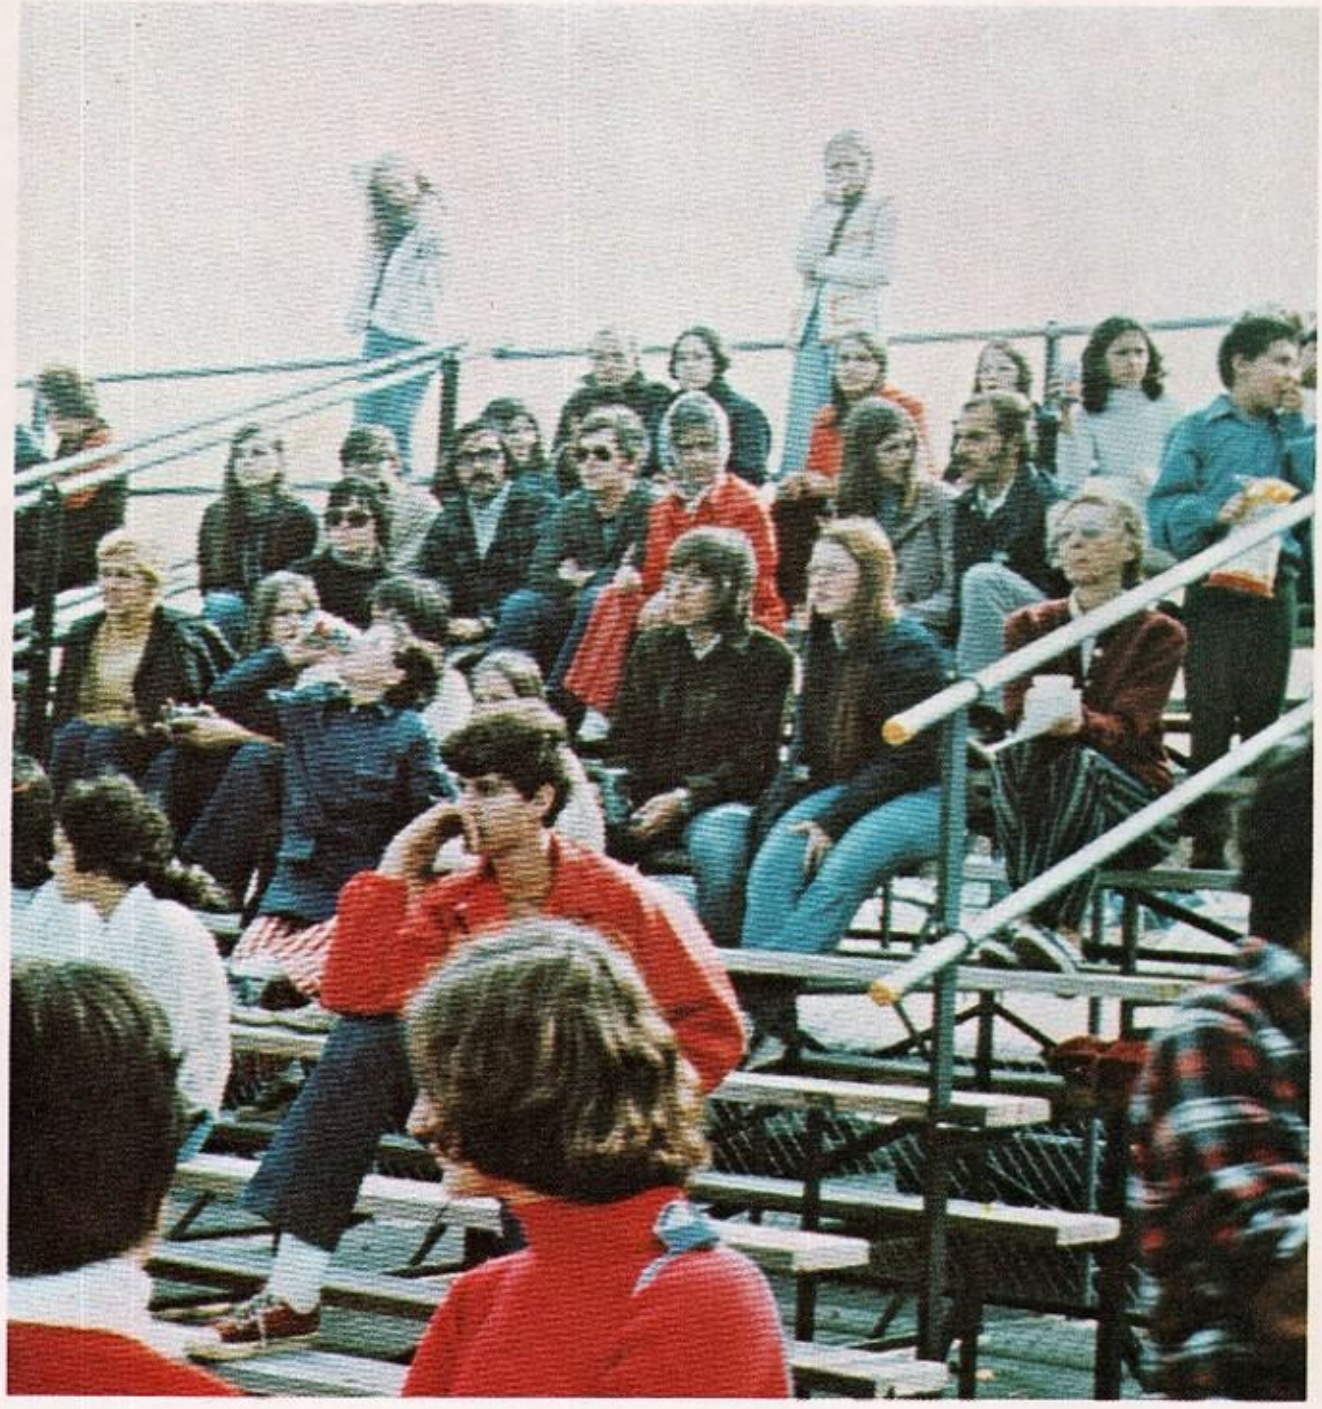
ONCE UPON A TIME

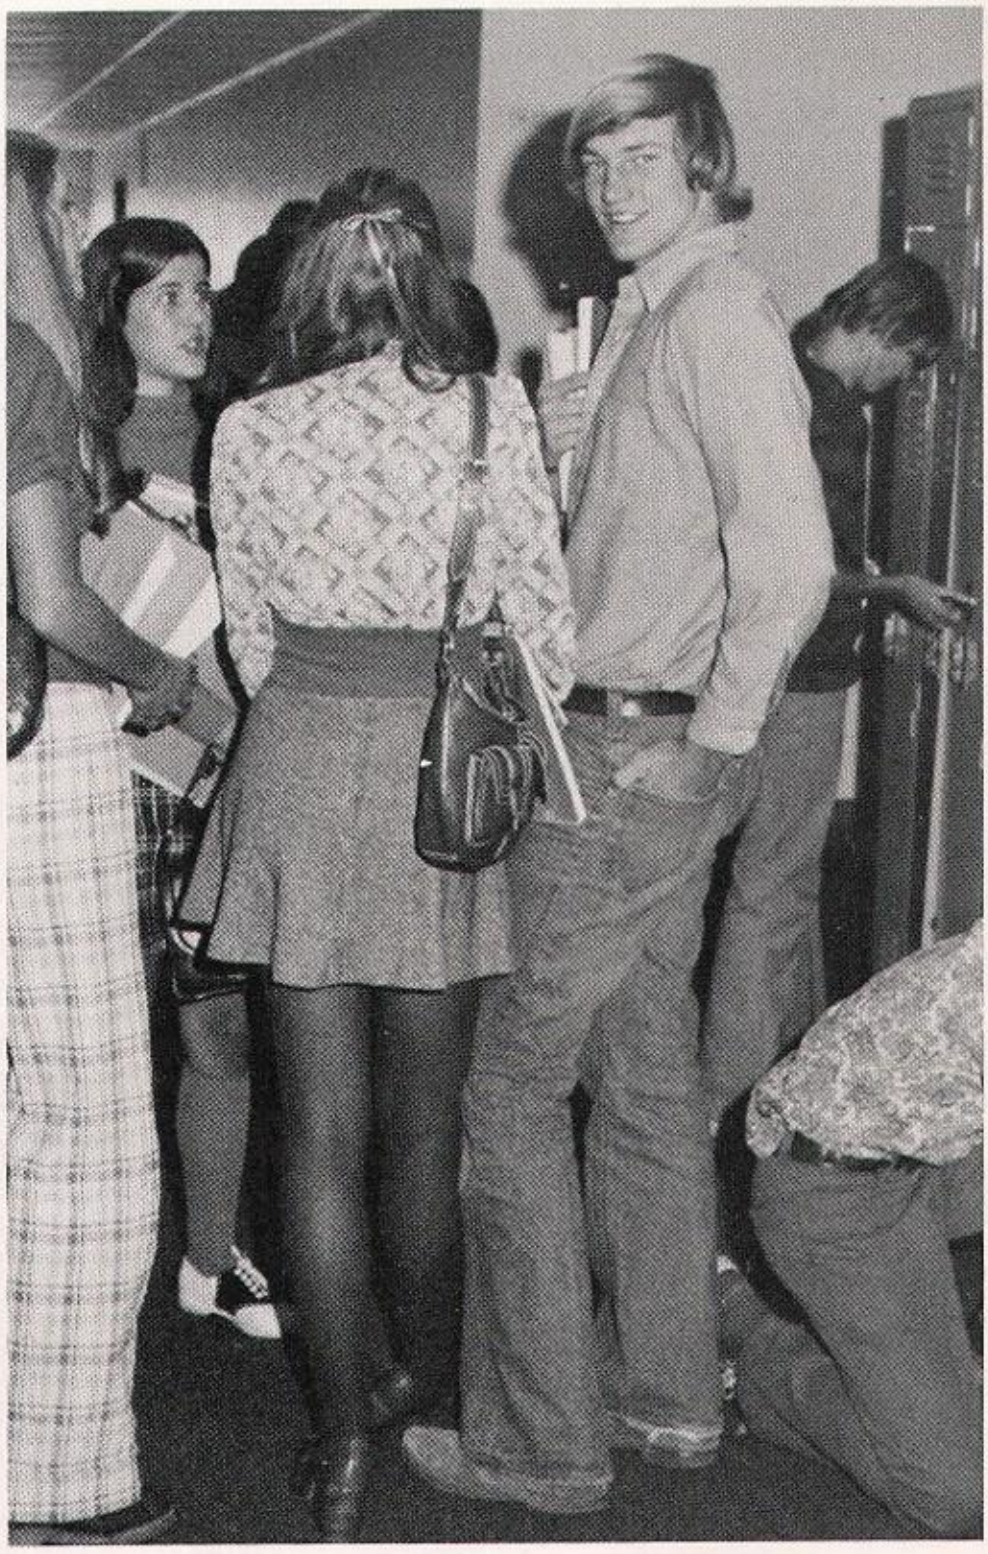
Once upon a time we lived with hearts that raced and minds that dreamed and clocks that had no hour hands.

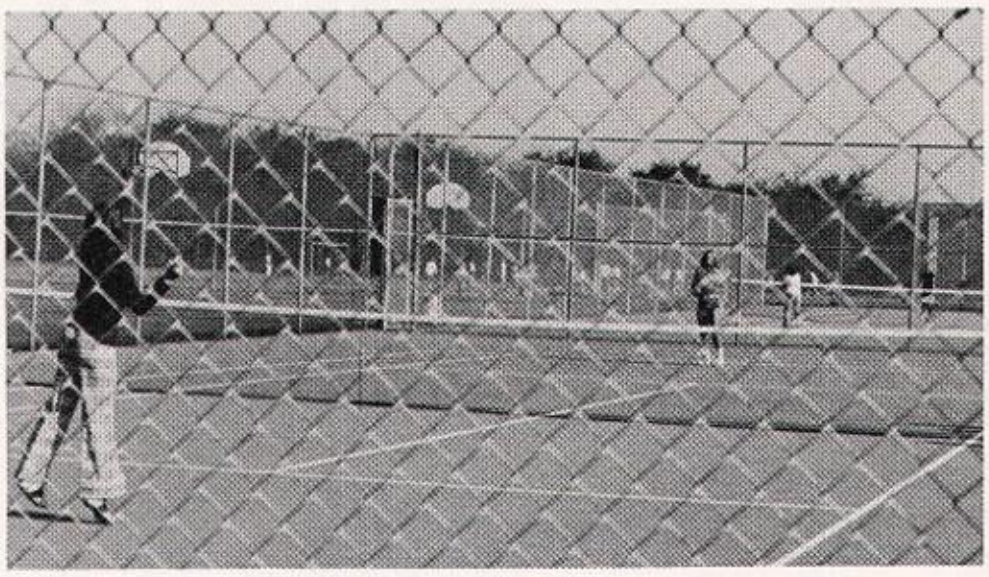


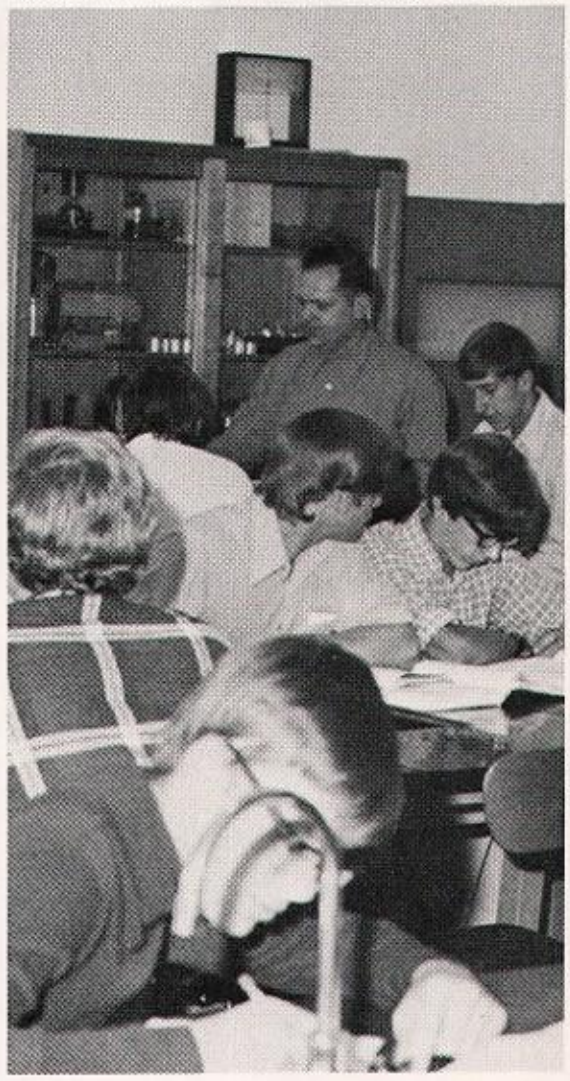




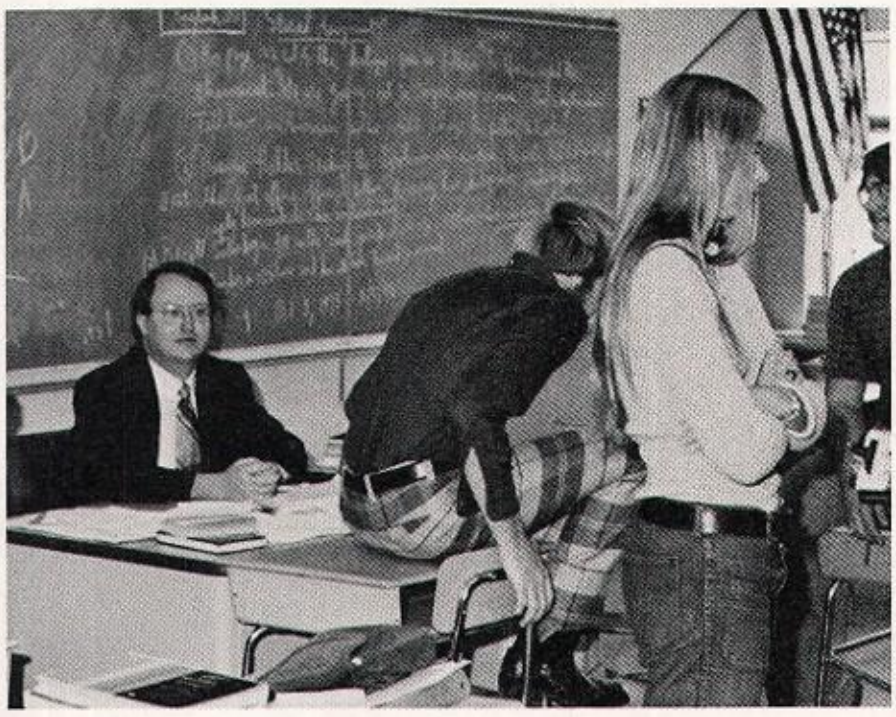
With common goals and common longings, we laughed, we loved, we played, we won.

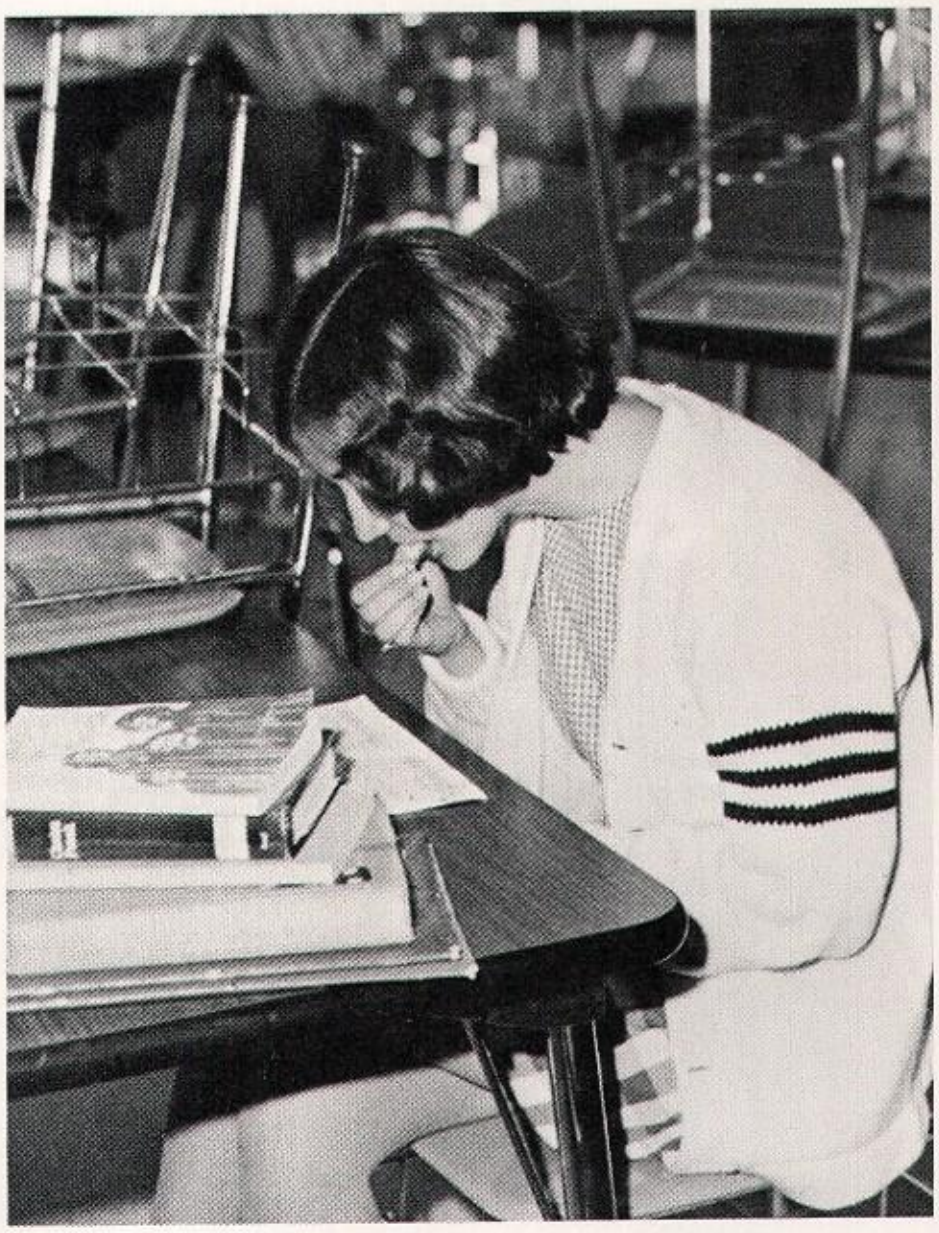


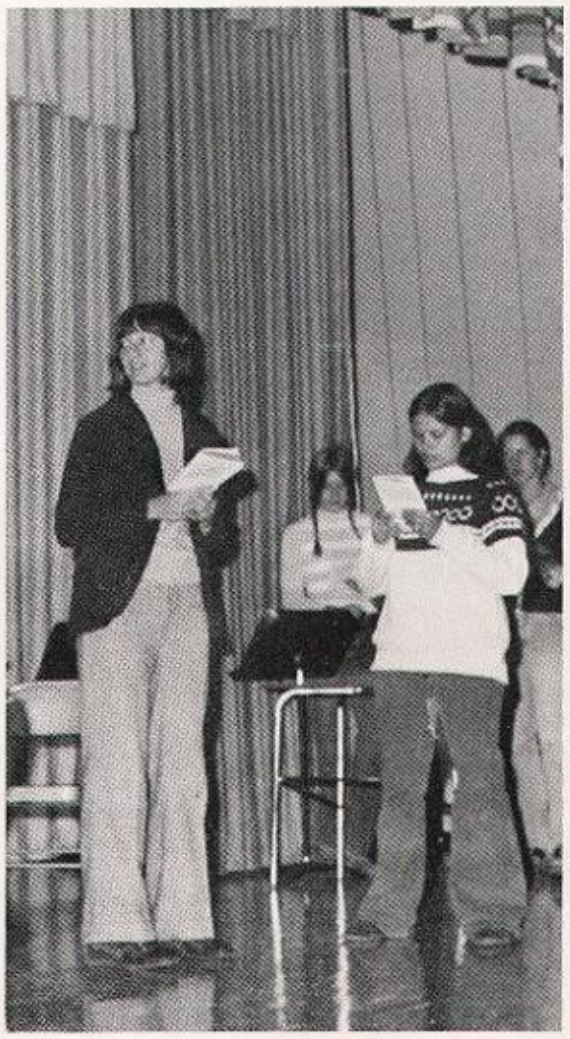


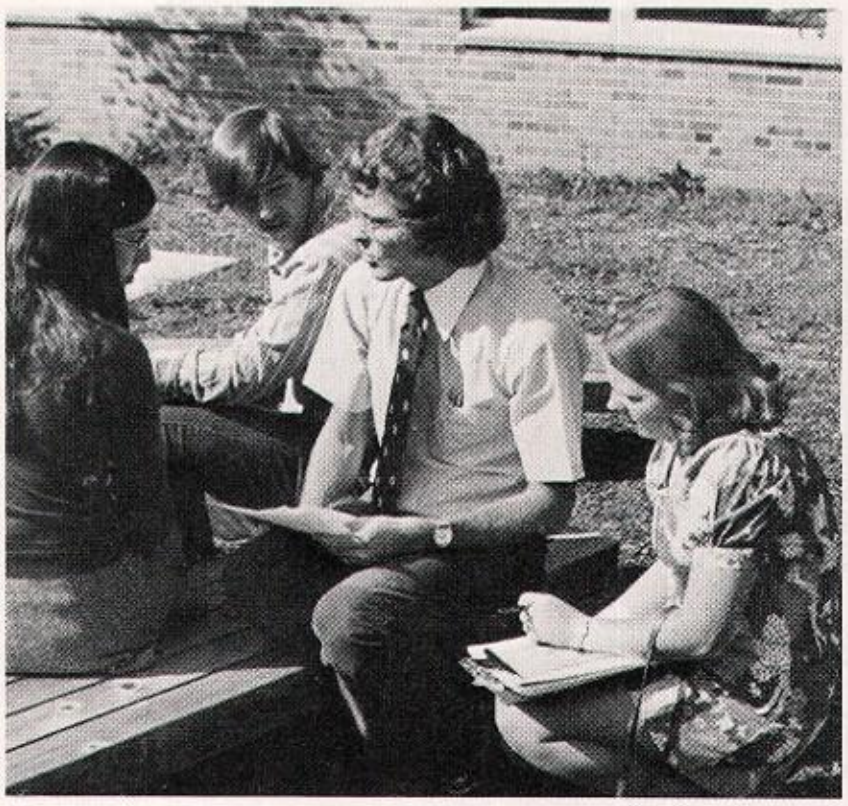


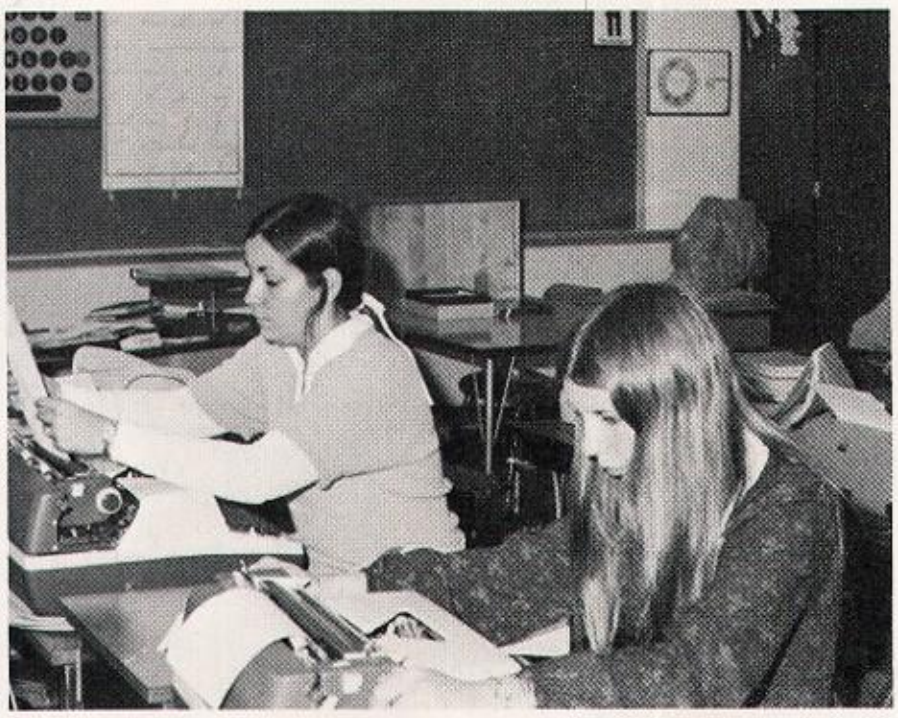
Those were our school days,
our happy days.



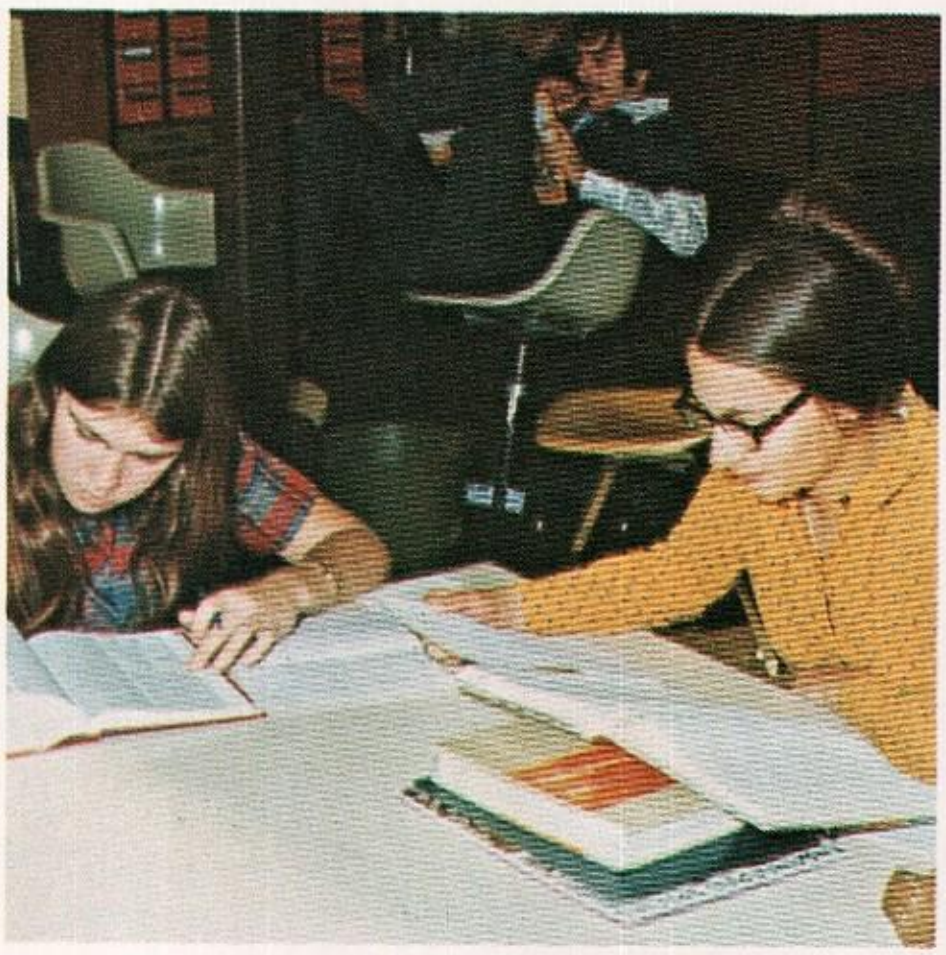


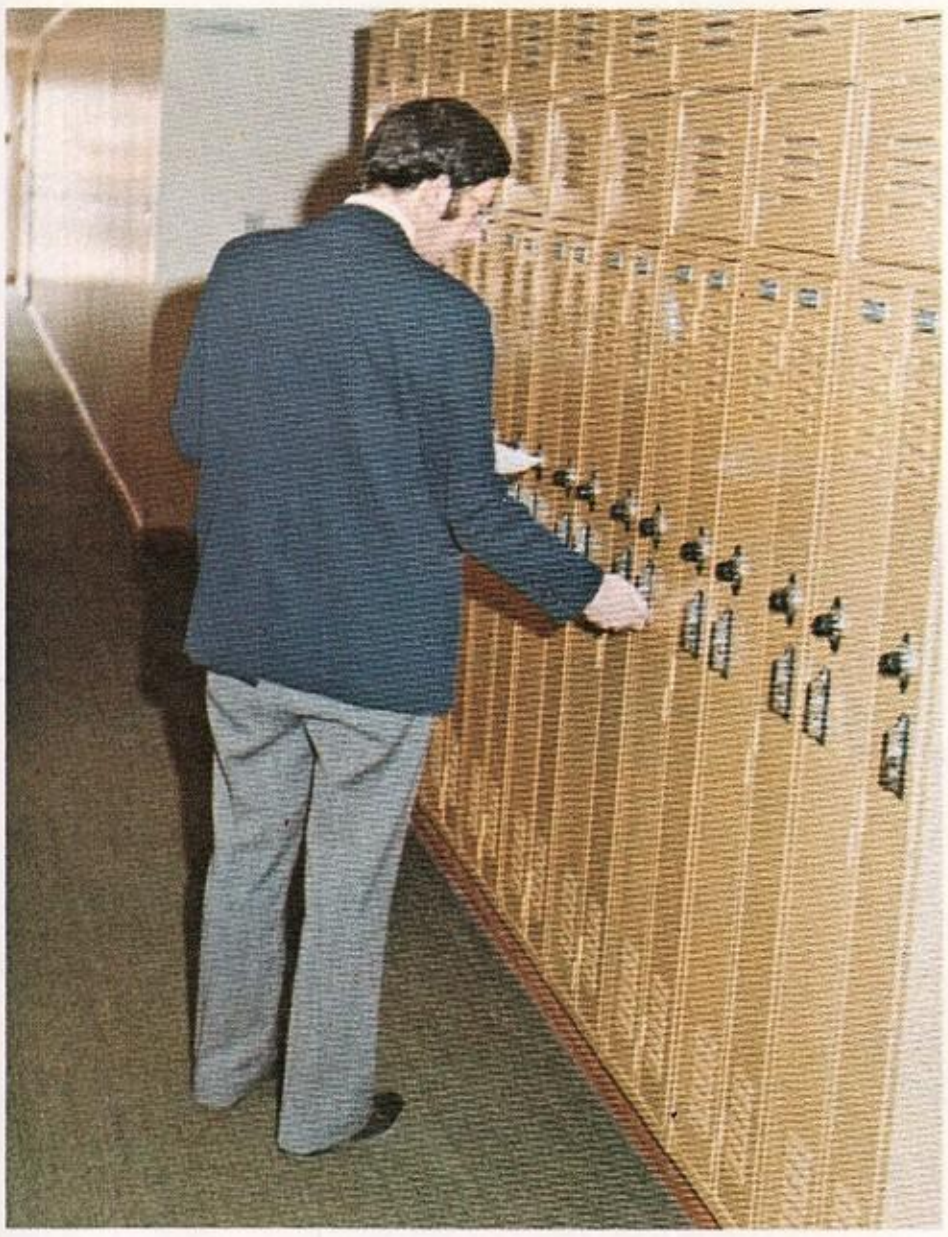




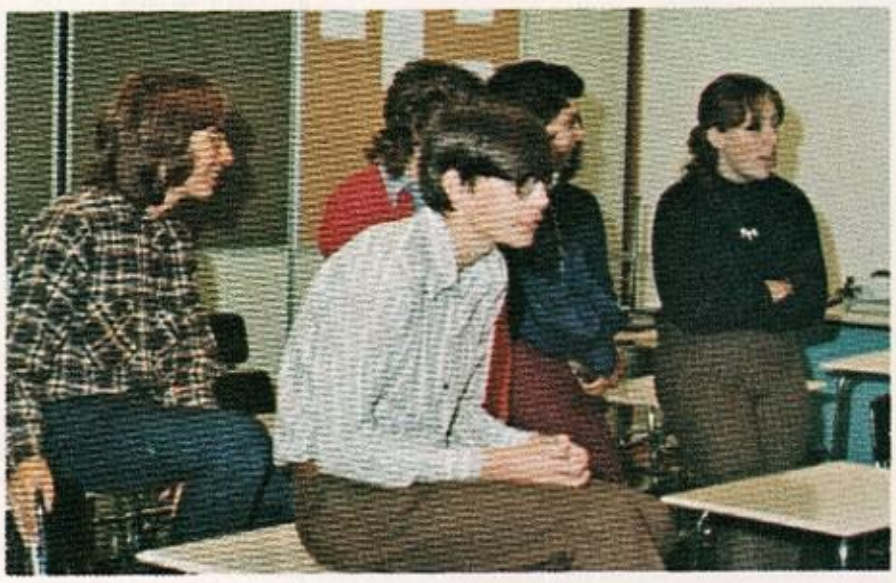


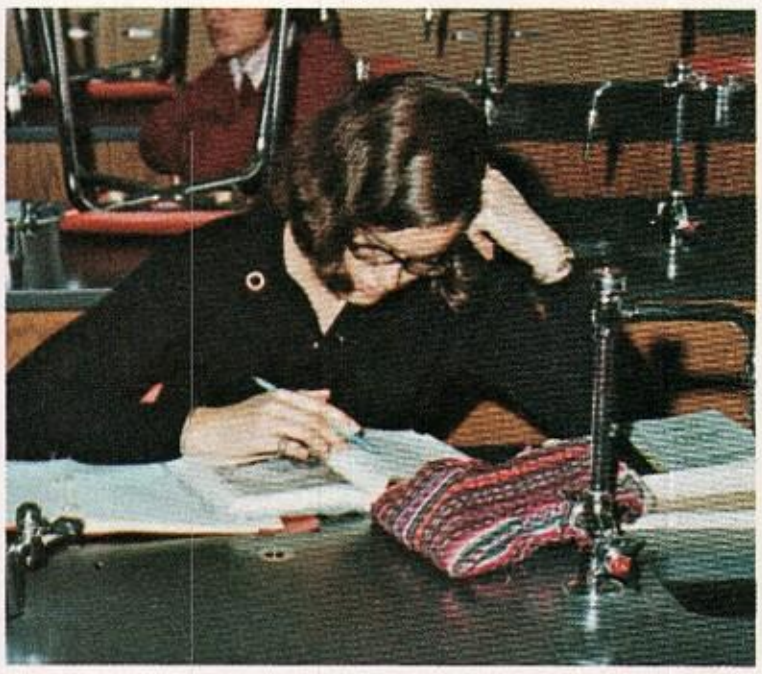
They were real because we made them real. They were alive because we existed.

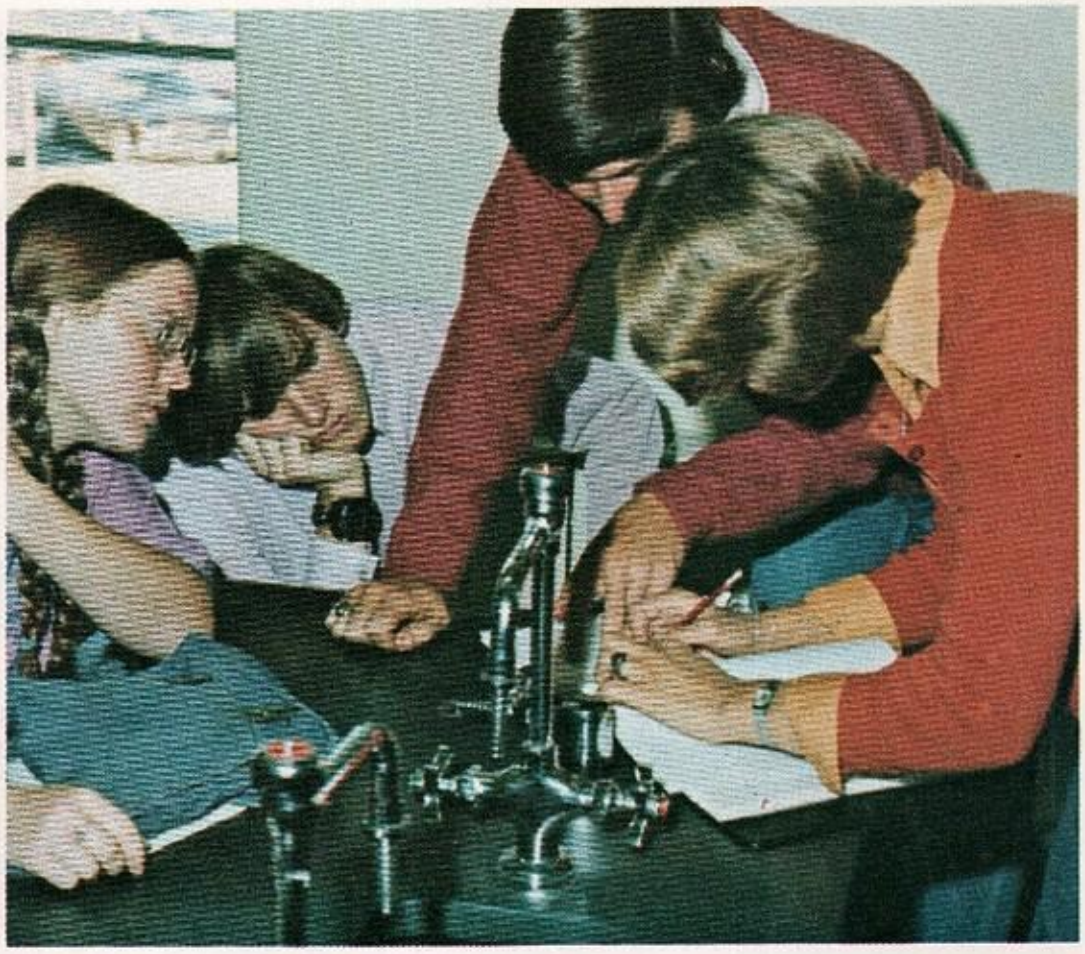


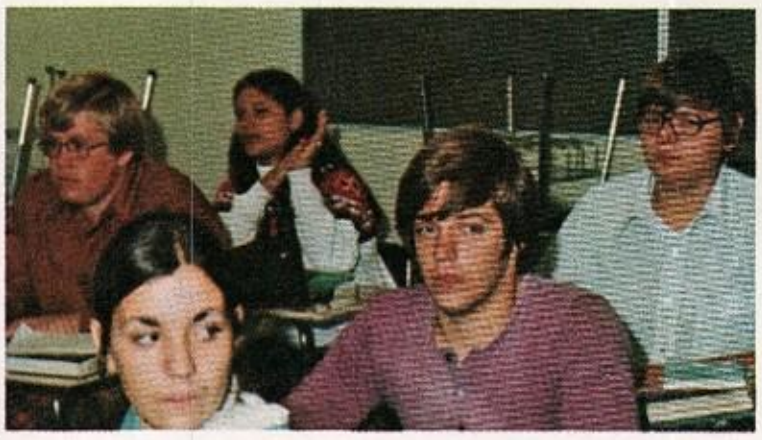


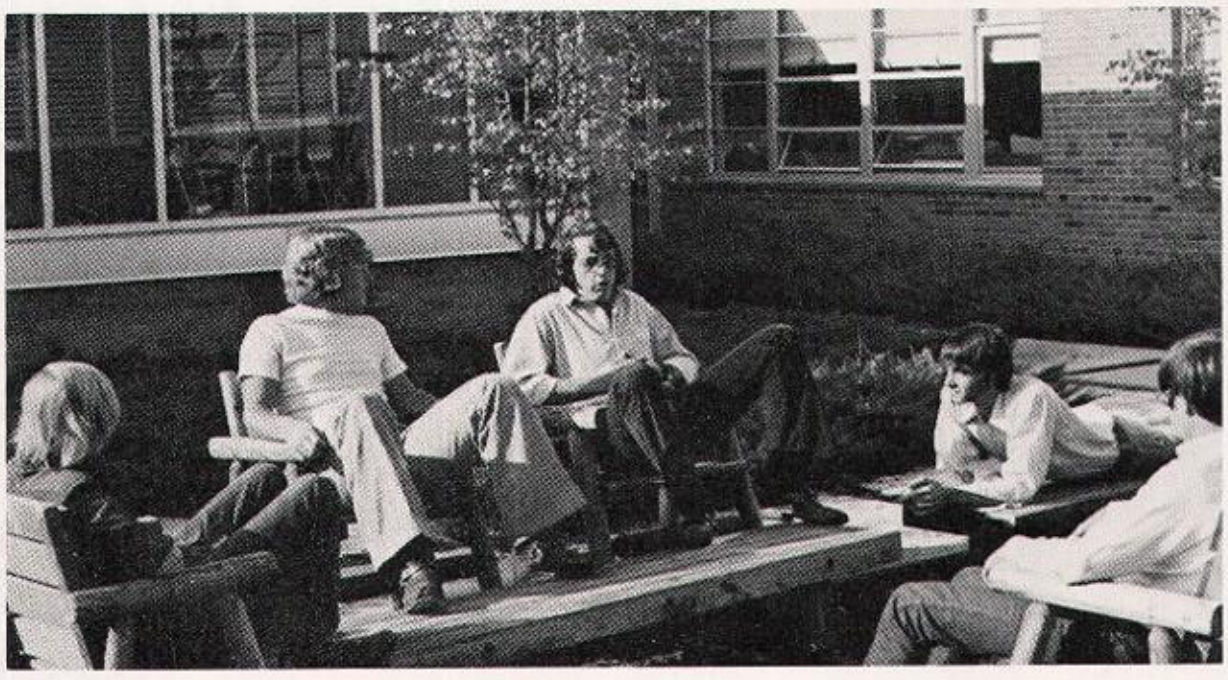
And then, as suddenly as they had dawned, they faded into the less care-free days of adulthood.

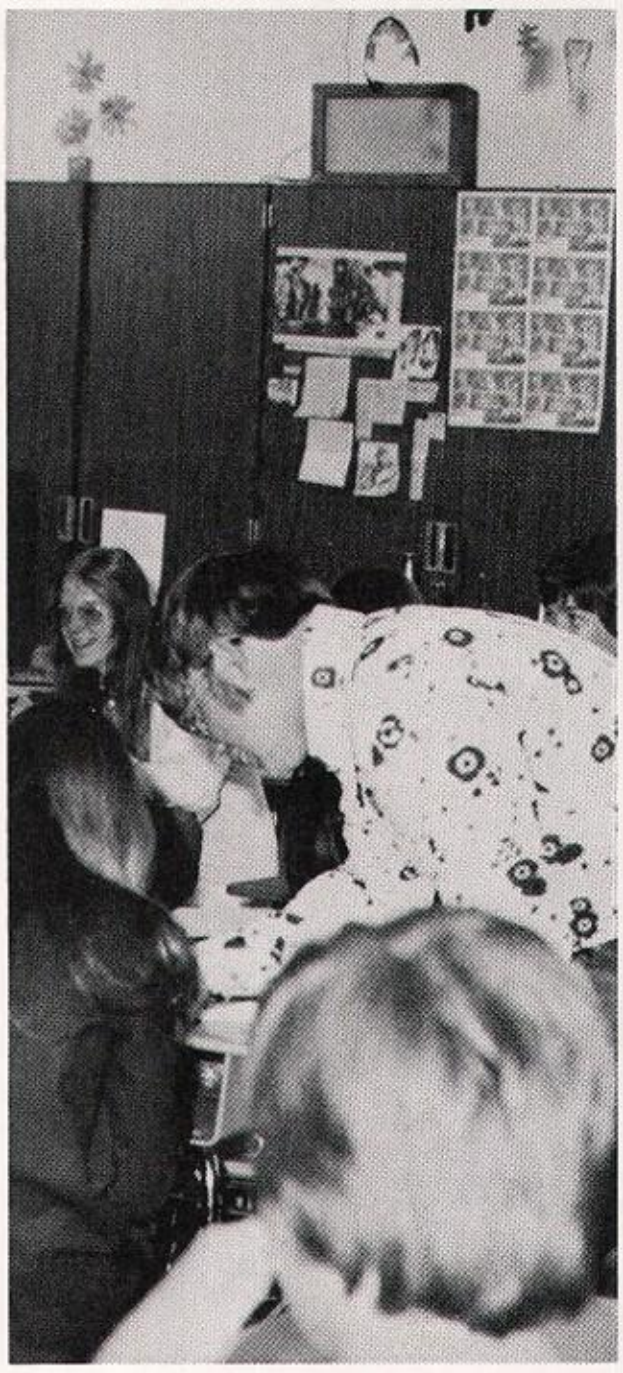


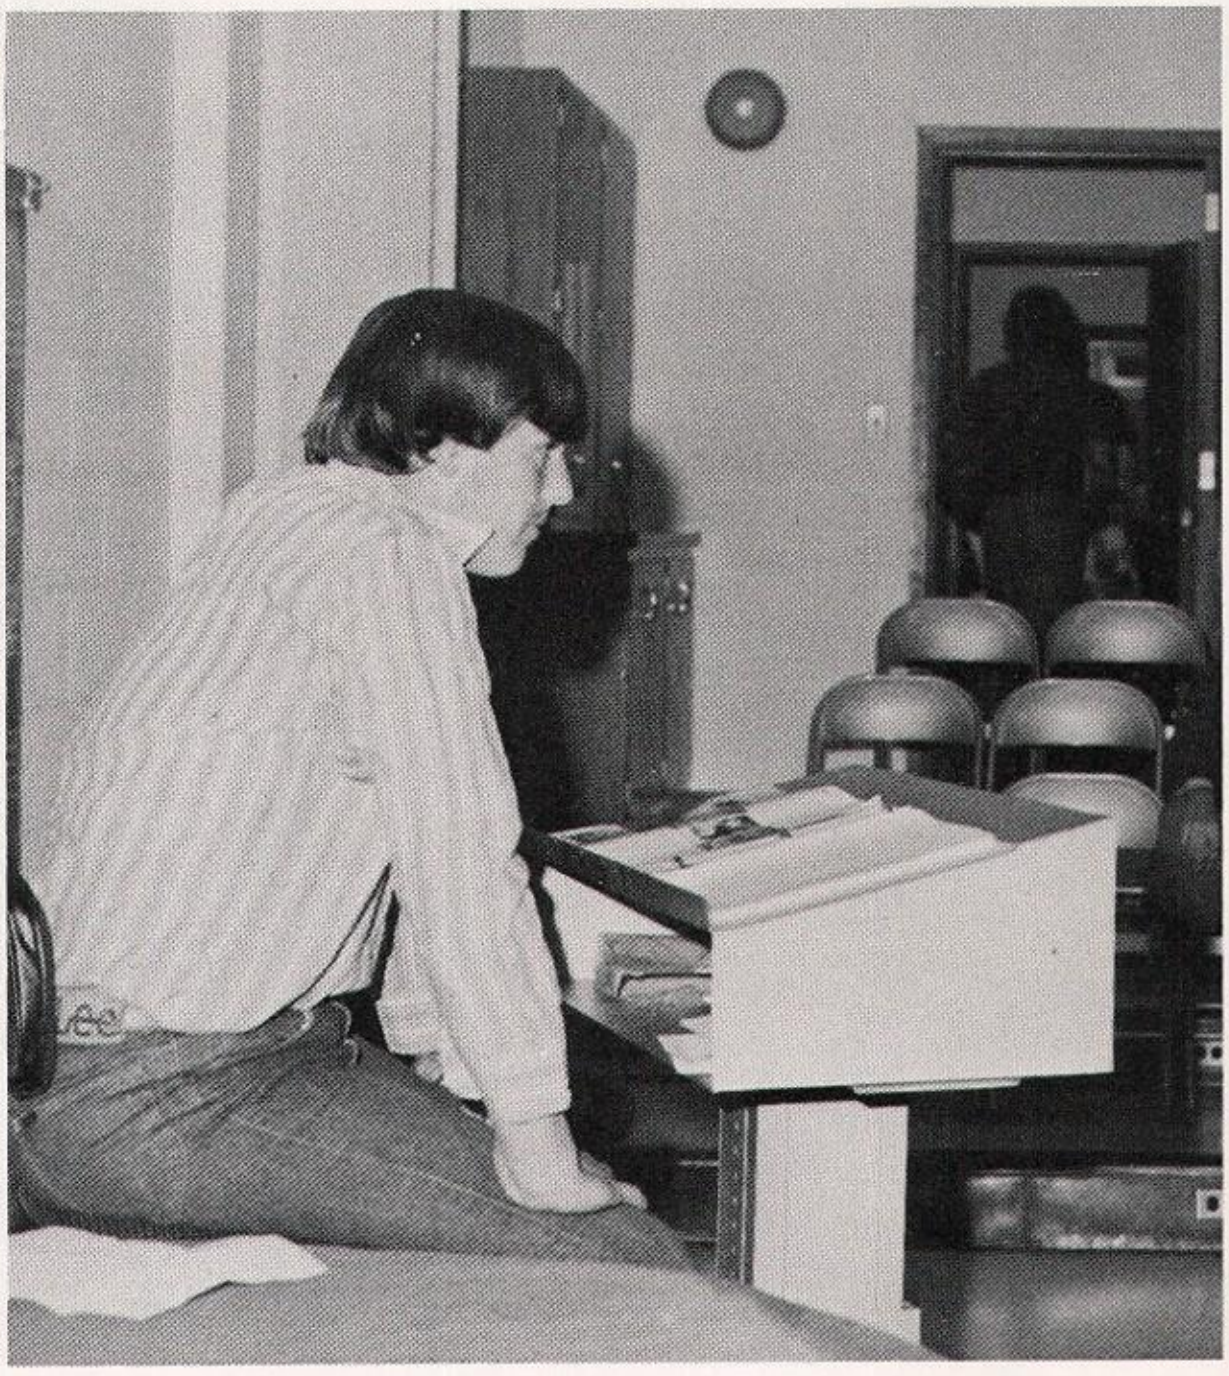












And finally they are now gone . . . those happy days in school.

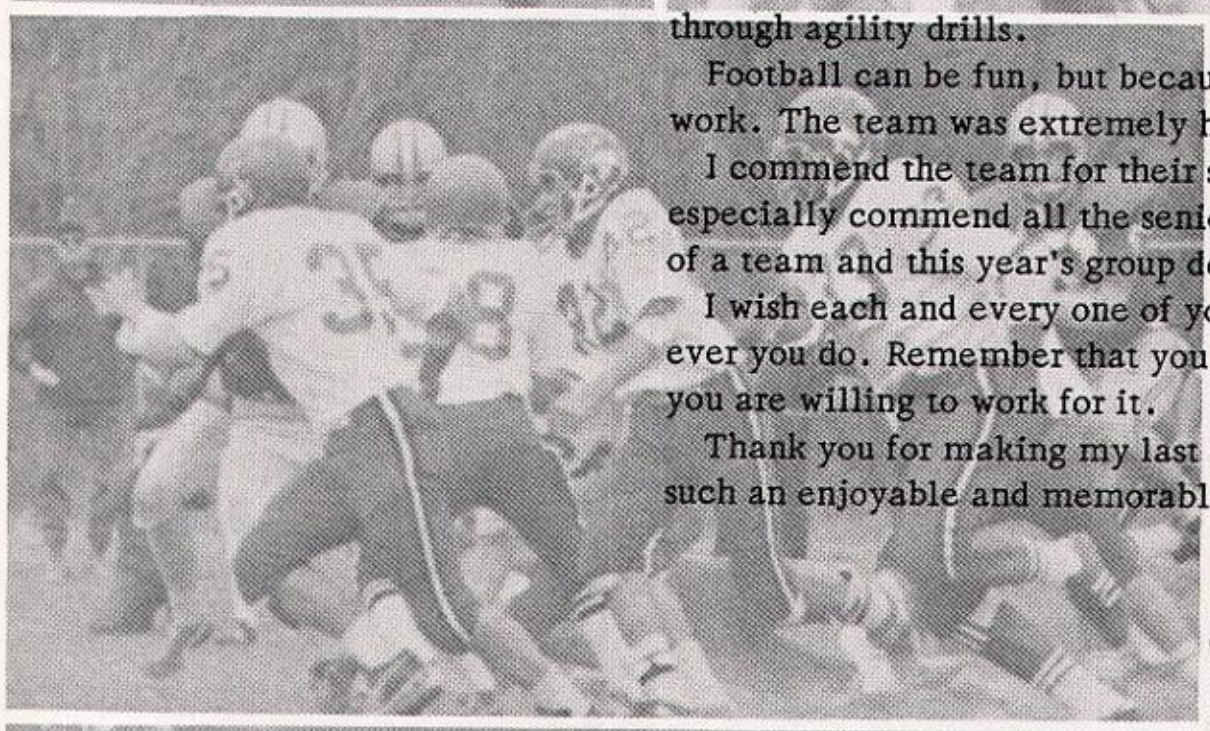
This has never been done in the past, but I feel I should write some reflections of this year's football team. I am very proud to have coached it, and I believe that in their hearts the players were very proud of their team.

The most outstanding characteristic was the team's ability to "come back" week after week and practice after practice to play as hard as they did. This spirit was best exemplified at Chatham, the week after our heart-breaking 20-14 loss to Coxsackie-Athens. Only if you saw the game or played in it could you appreciate the exhilaration and satisfaction of winning our last game.

If you've never witnessed a practice, you have no idea of what it's like to run "The Hill" 6 times, run "victory sprints," and go through agility drills.



Football can be fun, but because of all the contact, it is hard work. The team was extremely hard working, but we did have fun.

I commend the team for their spirit, determination and desire. I especially commend all the seniors. Seniors should be the leaders of a team and this year's group definitely were leaders.

I wish each and every one of you the best for the future in whatever you do. Remember that you can achieve almost anything if you are willing to work for it.

Thank you for making my last season as Head Football Coach such an enjoyable and memorable one.
